The dibbre is an extract to the degraded toffned of leading is an expension and what are shown a continued requirements of leading to the characteristic and the Company's website when Irentified comes in the Characteristic and th

The Util format of the Quarterly and Yearty financial results are available on the Stock Exchange Websites (new besindia, corn and nashodia corn) and the Company's website away translimited, own.

The above unaudited Standardore and Consolidated Financial Results for the quarter and year ended 31st March 2024 were reviewed by the Audit Committee and recommended to the Board, which was thereafter taken on record by the Board of Directions of the Company at its meeting held on 28th April 2024.

The Company's business model requires it to enter into a substantial number of lease contracts, primarily for its store operations. Given the evolving business strategy with respect to the Company's store portfolion tail involves periodic store consolidation/closures, and the nature of the underlying contractual and economic obligations, the Company has reassessed the estimates of measurement and recognition of the right of use assets (including related security deposits) and corresponding lease liabilities under INCLAS 116. In the above context, the Company has also reassessed the estimates with respect to the useful life of the leasehold improvements of such contracts.

a) In the standardors financial results, this has resulted in an exceptional gain for the quarter arrounting to Rs. 543.35 corces (including Rs. 16.04 crores for related security deposit), tax impact thereon is Rs. 18.05 forces (Not Rs. 40.65 to corces). EPS of Rs. 40.39 for the year will be Rs. 28.95 without exceptional gain. Further, right of use assets and lease liabilities have consequentially been reduced by Rs. 2719,73 corces and Rs. 3247.04 crores respectively.

In the control of the

incremental depreciation charge with respect to leasehold improvements for the quarter is Rs 57.66 crores (net of tax Rs. 43.15 crores).

The exceptional term in the previous year in the consolidated financial results includes provisioning of Rs.3 crores on account of uncertainty of utilisation of accumulated Goods and Services' credit in a downstream entity made during the quarter needed 31st March 2023.

The results of the quarter ended 31st March 2024 and 31st March 2023 are balancing figures between audited results in respect of full financial year and published year to date results up to the relevant financial year and have been subjected to limited review by the auditors.

The statutory auditors of the company have carned out audit of the Standalone and Consolidated financial results for the year and limited review of Standalone and have issued an unmodified opinion.

The Board of Directors at its meeting held on 29th April 2024, has declared a final Dividend of Rs. 3.2 per equity share aggregating Rs. 113.76 crores. The record date fixed for the purpose of det entitlement of the Members for the final Dividend is 22nd May 2024 and such Dividend will be paid on or after 14th June 2024 to those Members entitled thereto. For and on behalf of the Board of Directors
