

Environment Policy

Trent is committed to environment sensitivity in our business activities. We aim to fulfil our environment commitments through the following broad actions:

- Making business decisions that take into account the impact on the environment
- Conserving natural resources by improving efficiency of operations
- Reduce our carbon footprint and compensate the environment where possible
- Reducing wastage through re-use and recycle
- Create awareness and engage employees and stakeholders
- Set, monitor, benchmark and review objectives and targets on an ongoing basis towards achieving continuous improvement in environment and climate performance
